## Religion

This week we are talking about how Jesus died to save us. Then we will take a test on Chapter 2 on Tuesday. Then move in to Chapter 3 on how Jesus has power over life and death.

## Social Studies

We have talked about how taxes have been used national, in the state and locally. We will talk about obedience and end the weekly lesson with the activities.

## Reading/Writing

The reading theme is People and their Pets. We will talk about some animal myths and we will read a story about a girl who asks her parents for a pet. They say no after every animal that she asks until they finally find the perfect pet.

Writing will consist of the students writing a story they have about one of their pets. If they have never had a pet then they will write about some experience they had with an animal or what pet they wish they could own.

## Math

We are moving into Chapter 2 which and we will talk about fact families and we will find a few solutions for solving addition and subtraction problems.
