Ms. Lindshield's Third Grade News

Dec. 5-9, 2011

lindshield.shcs@gmail.com

Announcements:

Dec. 8th-No School!!

Religion

We are concluding Chapter 8 on the marks of the church with a test on Tuesday. Then we will move into Chapter 9 on how the church teaches us.

Social Studies

We talked about concentration camps last week and about justice and tolerance so I am going to show them pictures of Dachau the concentration camp I visited when I was in Germany 3 years ago.

Reading/Writing

Our focus this week will be on "Solving Riddles". All of our stories will have a riddle that needs to be solved. Our main story is a princess that will marry the first prince who can solve her riddle.

We will write a character sketch on either an actor or character from a movie or book. We will describe what the character looks like and their personality.

Math

We are talking about place value to the millions this chapter. We will do a lot of activities with place value and ordering numbers from smallest to largest.

Science

We will talk about how we use the land and pollute it.
