## Religion

We are testing over Chapter 16 on the Eucharist on Monday and then we are taking the end of the year religion test on Tuesday.

## Social Studies

We will do a river mapping activity.

## Reading/Writing

Our theme for this week is "Animal Architects". We will learn about the different ways animals make homes and why they make the home the way they do.

They will finish up their introductory speeches this week. They will choose a person and describe them in at least five sentences. They will also write a descriptive poem about an animal.

## Math

We will explore weight and volume this week. We will have many different labs to help us find the weight and volume of objects and containers.

## Science

We will do a flashlight lab on why we have seasons and day and night.
