Ms. Lindshield's Third Grade News

April 30-May 4, 2012

lindshield.shcs@gmail.com

Announcements:

May 4th-Fitness Day 9:00-2:00

Religion

Our discussions this week will be on the different parts of the Mass, introductory rites, liturgy of the word and liturgy of the Eucharist.

Social Studies

We will discuss what a producer and consumer are and how companies decide what to price goods at.

Reading/Writing

Our theme for this week is "Helping Our Neighbors". The main story is about a boy who lives with his family in a rundown house and they help neighbors fix up their houses and hope that one day someone will do the same for them.

They will finish up their introductory speeches this week. They will choose a person and describe them in at least five sentences. They will also write a descriptive poem about an animal.

Math

I will introduce the mean this week and how we find it, learning what the memory button the calculator does and how to do a frequency chart and make a bar graph using the data.

FOR FITNESS DAY REMEMBER TO WEAR THE FITNESS DAY T-SHIRT, ATHLETIC SHORTS (YOU DO NOT NEED TO WEAR UNIFORM PANTS) AND TENNIS SHOES FOR FRIDAY!

Science

We will finish discussing about the revolution and rotation of the Earth around the sun.

Happy 9th Birthday Today to Lauren!
