Announcements:

2nd –No School!!

5th- No School!

Religion

We will learn and discuss what we think Jesus was like as a child and we will read the story about Jesus staying behind in the Temple as a child.

Social Studies

We are finishing up talking about the education system and will be going into American Character. We will learn about what it means to be a citizen of this country.

Reading/Writing

Our stories this week are about new beginnings. We will read "First Day Jitters" and talk about how we feel when we have to start new things or go new places.

Writing will include having the students choose a personal narrative and they will brainstorm, plan, write the rough draft, edit and then write the final copy. Hopefully we will have time to share them on Thursday.

Math

We start out the year talking about number patterns and sequences. They will learn the rules that some patterns have like +7, -5, add 10 and so on.

Happy Birthday Saturday to Kaitlin Brock!

Science

We are continuing to talk about plants and their needs. We have started growing a few plants in our classroom and we will do an experiment with lima beans this week.
