Announcements:

6<sup>th</sup>-No Mass!!

## Religion

We are talking about Jesus' second coming this chapter. We will talk about how he will come again and judge all people and how it will be a joyous time. We will take a test on Chapter 3 Thursday.

## Social Studies

We are now ready to start talking about the New Deal, which is what Franklin D. Roosevelt made to help people during the depression.

## Reading/Writing

We are taking the Unit 1 test this week over everything we have learned so far this year. We are also continuing on in our reading book and our theme this week will be "Putting on a Performance". We will read short plays and we will perform one for a class on Friday.

We are doing persuasive posters this week in writing. The students will choose a topic like recycling, save the whales, etc. and they will write about why people should help out and they will draw a poster to go along with it. They will be on display in the hallway.

## Math

We are still continuing to learn how to solve word problems with addition and subtraction.

## Science

We are going to color bugs to camouflage with objects in the room. Then we will talk about how animals adapt to their environments by migrating, hibernating, using camouflage or mimicry.
