28-No School!

## Religion

We will talk about the Apostles led the church and how the disciples share the Good News.

## Social Studies

We are finishing up talking about the New Deal and how Teddy Roosevelt helped change the United States.

## Reading/Writing

We are going out of our reading textbook for a couple weeks while we read the chapter book "Sara, Plain and Tall". This is a story about a mail order bride who moves to live with a family in the Plains and how she adjusts to the changes.

We are about to finish our research papers on the careers of their choice. They have been working in groups and have done a great job working together!

## Math

We will do a pattern block experiment and continuing working on perimeter and introduce how to find the area of a shape.

## Science

We are going to go mining for raisins in oatmeal cookies and talk about what resources and renewable resources are.
