Religion

We will discuss about martyrs and times for the first Christians were not easy and how they were forced to worship false gods. We will test over Chapter 5 on Friday.

Social Studies

We will not have time for Social Studies since we have concert practice all week.

Reading/Writing

We will finish Sarah, Plain and Tall this week with a test on Friday. There should be a study guide coming home Friday but as long as they read and paid attention when we were reading the book they should be fine.

We will be doing some daily writing projects about Sarah, Plain and Tall, including a description in the newspaper for a wife.

Math

We will finish up Chapter 3 on measurement with a test on Friday. We will discuss circumference, diameter and area this week.

Science

We also will not have time for Science this week with music practice all day.
