## Religion

We are finishing up talking about the seasons of the Church year and will just narrow in on Ordinary Time. We will learn about what we do in the church during this time.

## Social Studies

We are moving on to Eleanor Roosevelt. We will learn how she went from an orphan to the first lady.

## Reading/Writing

Our focus this week will be on writers or authors. We will read about what it is like to be an author and how to become one.

A book review will be our writing project for the week. We will read, "The Amazing Turkey Rescue" as a class and then they will each write a review on the book.

## Math

We are looking at basic multiplication facts this week. We will learn some shortcuts that will help us remember the facts better and spend some time trying to memorize the facts.

## Science

We are still talking about renewable, reusable and non-renewable resources.
