Ms. Lindshield's Third Grade News

Jan. 9-13, 2012

lindshield.shcs@gmail.com

Announcements:

Religion

We are finishing up Chapter 9 by discussing how we help others and then starting a new chapter on how the church prays.

Social Studies

We are starting a new newsletter on resources and how we use them.

Reading/Writing

Our focus for this week is "The Art of Illustrating". We will learn firsthand what it takes to be an illustrator and what they do and how they decide what to draw.

Writing a scene to a play is the topic for this week. The students will choose a scene from a movie or they can make one up and write the dialogue that goes with the scene.

Math

We will continue discussing rays, line segments and lines. In addition, we will also talk about triangles and quadrangles.

Science

We will keep track of how much trash we get rid of for a week and we will talk about how to reduce, reuse and recycle.
