Ms. Lindshield's Third Grade News

Jan. 16-20, 2012

lindshield.shcs@gmail.com

Announcements:

16th-No School!

18th- Book Orders Due

20th- Make Strawberry Shortcake

@ 2:00

Religion

We will be discussing how we pray together or alone and the different kinds of prayers that there are.

Social Studies

We are continuing to still talk about resources and how they renewable and nonrenewable.

Reading/Writing

Our focus for this week is "What's Cooking?". The main story is on a rooster that wants to make strawberry shortcake for the first time and has his friends help him. They have unexpected things happen.

They will write about something that they enjoy eating and making. They will tell me the steps involved in making that food.

Math

We will discuss polygons and how to measure and draw angles.

Science

Our class this week is finishing up our chapter on resources and hopefully taking a test as a class at the end of the week.
