

Lenten Fish Frys

We are seeking opinions/ideas on the possibility of sponsoring a benefit fish fry on one of our Friday nights during Lent with invites extending to our parish as well as Wright and Spearville.

Ideas that have surfaced include fish filets, hushpuppies, fries, coleslaw as sides. Pricing will either be by the plate or free will offering.

We could also do a Lenten fish fry as a covered dish social gathering with the Knights providing the fish and our members bringing the sides and desserts. Ash Wednesday is March 5th and Good Friday is April 18.

If you have ideas, opinions, or suggestions, please let any of the 3rd degree officers know your thoughts and we will provide more info soon.

Odds & Ends

There is a Super Bowl watch party being planned for February 2 at the lounge. Pot luck meal

There are several hall functions needing help over the next few months. Bingo helpers are also still needed.

Dave Littler's term as District Deputy is up at the end of June. If interested in replacing Dave, please get in contact with him.

Officers for next term – As is the case every year, the council will elect a new slate of officers at the May meeting. It is not too early to begin thinking about these important positions. If you are interested in serving, please contact GK Dan Stremel.

BINGO Update

As mentioned in last month's bulletin the bingo teams, 3rd degree officers and guild leadership continue to evaluate and consider how to make bingo as successful as it can be.

The games have been restructured and for the first time ever, the K of C bingo is offering a prize of up to \$2,000 on a blackout game.

More workers are needed. Team Captains – Don Nau, Greg Schaffer, Randy Zerr and Dan Stremel all need people for their teams. If you have called in the past, worked the window, or worked the pull tabs we could use your help occasionally.

The revenues from our bingo games help pay for the hall operations and all of the groups and organizations that the Knights support.

Many have said that they have done their turn at bingo, or have no desire to work bingo. That may be true, but without new or rededicated people, bingo is not going to be successful in the future which in turn will be detrimental to our council activities and efforts.

Giving Activities for 2013

While we are still compiling some of the info for 2013, it appears as though the council was able to donate over \$28,000 this year from our charitable activities which include the Tootsie Roll campaign, Needy Family Fund, benefit breakfasts and dinners, Adopt a Family, and baby bottle campaign.

We supported Sacred Heart School, the Cathedral youth group, the Cathedral of Our Lady of Guadalupe, Catholic Social Service, Arrowhead West, DC Special Olympics, SW Kansas Special Olympics, Philippine Relief, Hurricane Sandy, Oklahoma tornado relief, Boy Scouts, seminarians as well as needy families in the community.
